New Lab Discount

New England Biolabs offers a one-time 40% discount on nearly all NEB products, with a maximum discounted order value of $5,000, for researchers who are starting up a new laboratory*. The New Lab Discount applies to most products carrying the NEB label (see list of exclusions below).

To request the discount, please fill out the authorization form at www.neb.com/en-us/support/new-lab-discount. Orders with quotes must be placed by phone at 1-800-632-5227 or by email to neborders@neb.com. When emailing a quote-based order, be sure to attach a copy of the quote, or clearly reference "Quote XXXX" on the purchase order to ensure the correct pricing is applied. For any questions, please contact newlab@neb.com.

Please note that normal shipping rates apply. Orders of $450.00 (net) and above incur no shipping charge. Orders less than $450.00 (net) incur a shipping charge of $36.00, prepaid and added to the invoice, subject to change. After this initial order, pricing for subsequent orders will revert to the original terms for your account.

For more information, contact newlab@neb.com, or visit www.neb.com/products/special-offers/new-lab-discount.
